

About Us & Our Mission

MySchola is a fast-growing education company on a mission to change GCSE life for students in Years 9–11. We are building a better way for students to learn: lessons that are academically strong, engaging and genuinely motivating.

Our mission is to help more students feel confident in their ability, make meaningful progress and achieve grades they once thought were out of reach. We want to keep improving the way GCSE support works, so every student has the structure, encouragement and teaching they need to succeed.

What You'll Do

At MySchola, we believe great teaching is not just about covering a specification — it is about creating lessons that make students think differently, build confidence and genuinely enjoy learning.

As an English Teacher, you will play a key role in shaping how students experience GCSE English. You will not simply deliver pre-made content; you will help create, improve and deliver lessons that make a measurable difference.

- **Teach.** Lead live GCSE English lessons for Year 9–11 students, mainly in small groups, with one-to-one Zoom teaching available as enrolment grows.
- **Prepare.** Build and organise clear lesson slides and activities that give students a strong route through the week's topic.
- **Improve.** If a slide, explanation or activity is not good enough, change it. You have the freedom to make the lesson work better, and we want you to use it.
- **Create momentum.** Use questions, discussion and exam practice to help students participate, understand the skill and apply it independently.
- **Share what works.** Bring useful teaching ideas to the team so strong approaches can improve English lessons across MySchola.

We are looking for someone who is **always looking for ways to improve. Someone who:**

- Reflects on what works well in lessons.
- Finds creative ways to explain difficult concepts.
- Adapts their teaching depending on student ability.
- Takes ownership of helping students progress.
- Is excited about being part of a growing education company.
